## Cain Brothers COVID-19 Charity Challenge

Cain Brothers has launched a campaign to raise money for ten leading organizations on the front lines of the COVID-19 crisis. Our campaign is the *Cain Brothers COVID-19 Charity Challenge*, whereby all of our colleagues have split up into ten teams to raise money for these charities. Our Managing Directors have pledged \$125,000 to a pool that will benefit the organizations. This pool will provide bonus contributions to the teams that raise the most money, attract the most donors, and engage in exceptional volunteerism in support of their chosen charities. In addition, Cain Brothers' employees will be donating directly to these and other charities. For each of these employee contributions, KeyCorp, the parent company of Cain Brothers, is offering multiple matching grants which will materially enhance the impact of our giving.
