

Cain Brothers is pleased to announce

Leixir Dental Group has received an investment from Comvest Partners

April 14, 2021

Leixir Dental Group, a portfolio company of Stakeboat Capital and IvyCap Ventures, has received an investment from Comvest Partners.

Cain Brothers, a division of KeyBanc Capital Markets, served as exclusive financial advisor to Leixir Dental Group, highlighting Cain Brothers' deep expertise in the dental lab, dental products and DSO sectors.

Founded in 2013, Leixir is a technology-enabled provider of outsourced dental solutions serving both independent dentists and dental service organizations ("DSOs") as well as technology and distribution companies. The Company operates five dental laboratories across the U.S. in addition to a digital design and manufacturing facility in India. Leixir's network of full-service dental laboratories offer a complete range of dental products, including crowns and bridges, implants, surgical guides, and dentures, among other dental products. Leixir has also built a fully scalable tech-enabled platform to support its delivery of differentiated services and technology throughout the dental landscape.

Comvest Partners is a private investment firm providing equity and debt capital to middle-market companies across the U.S. Since its founding in 2000, Comvest Partners has invested over \$5.8 billion. Today, Comvest Partners has \$4.7 billion of assets under management. Through its extensive capital resources and broad network of industry relationships, Comvest Partners offers companies financial sponsorship, critical strategic and operational support, and business development assistance.
